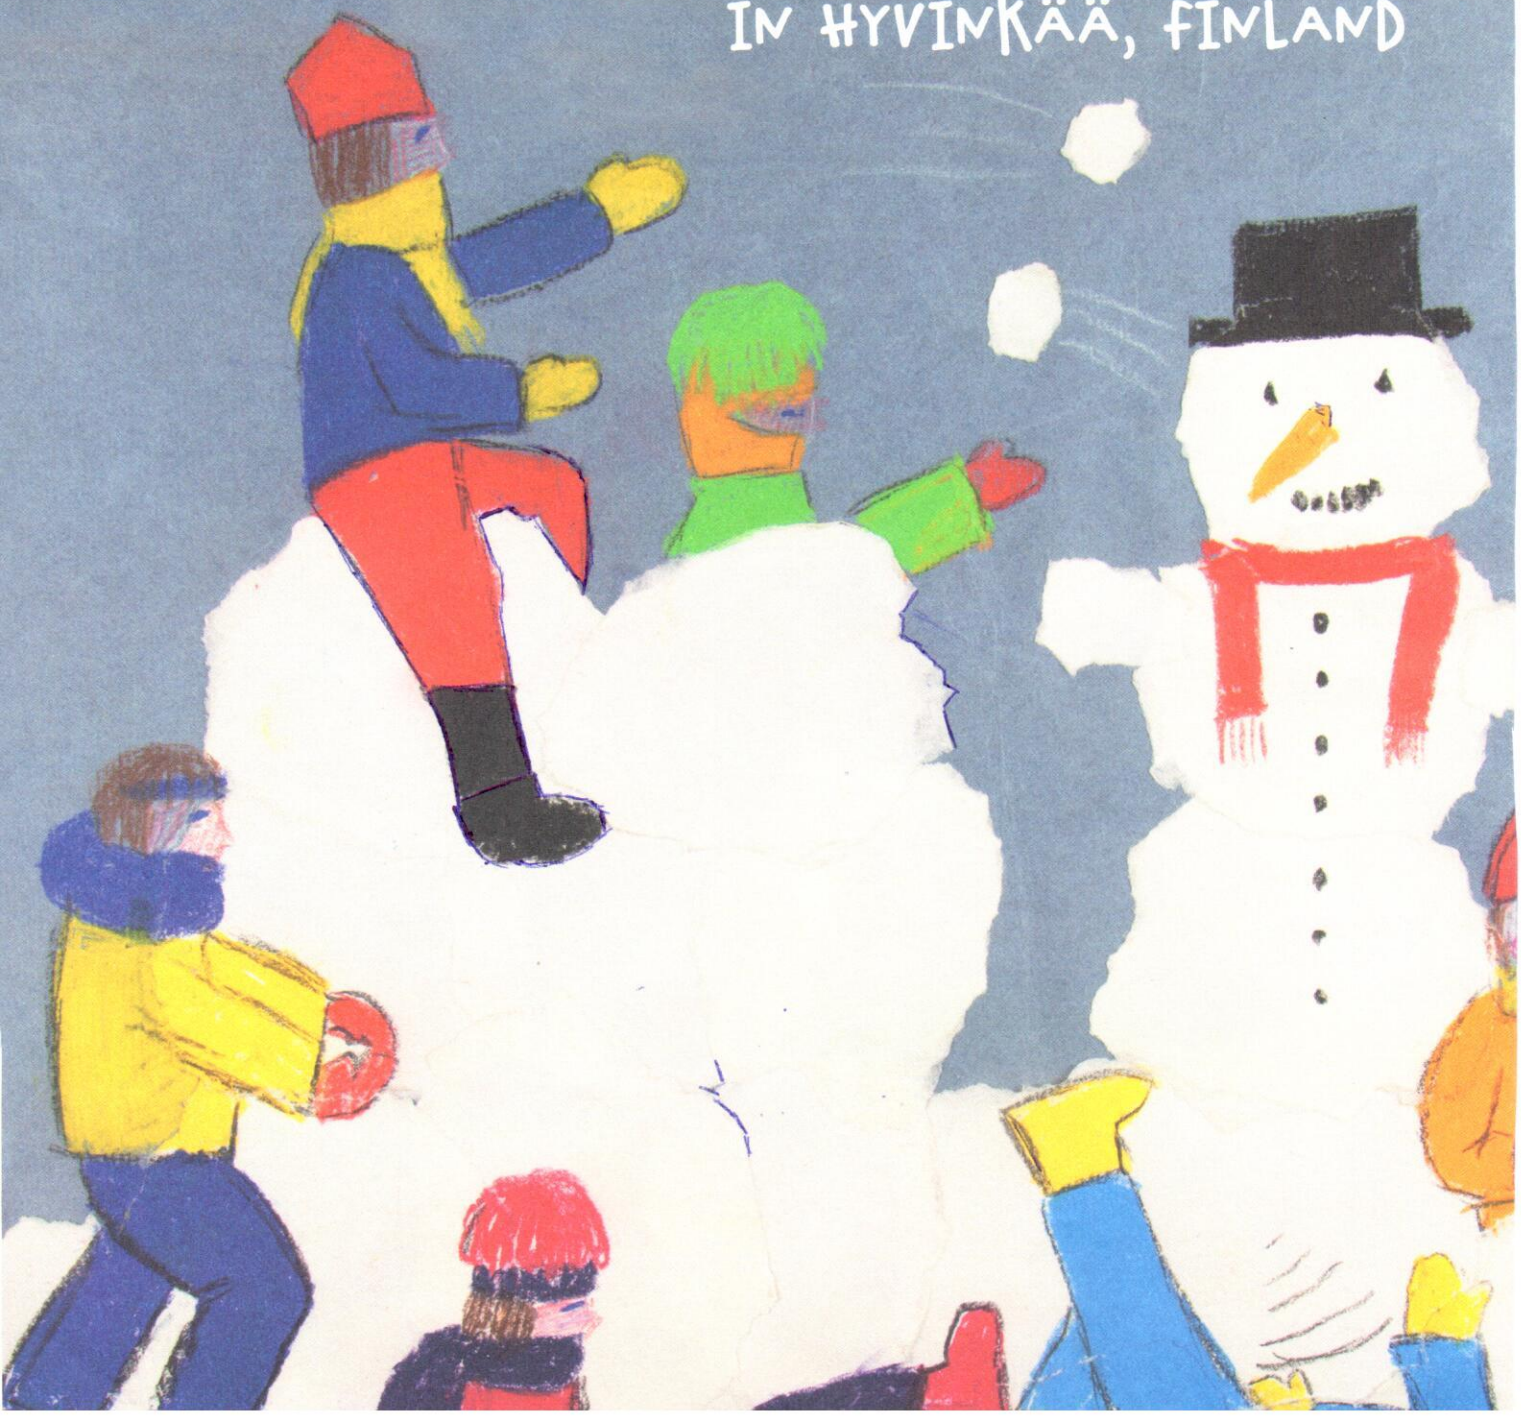
TOGETHER

THE 16TH INTERNATIONAL ART EXHIBITION
FOR CHILDREN AND YOUNG PEOPLE
IN HYVINKÄÄ, FINLAND



THEME

What kind of things do you want to do together with other people? Usually when you are with other people, you manage to achieve more things than by yourself. How would you describe the meaning of being together or belonging to a community, when you are at home or at school or during your spare time? What is the meaning of friendship and loneliness? How does going together differ from when you are using the Internet or other digital channels?

INVITATION

We invite children and young people throughout the world to participate in the 16th International Art Exhibition for Children and Young People. The theme can be interpreted freely and dealt with in various ways in order for the participant's culture, environment and individual ideas to emerge. The inviter and exhibition organiser is Art Centre for Children and Young People in Hyvinkää, Finland. The 2017 exhibition is to also celebrate Finland's centenary with the same theme Together.
