IMAGINE YOUR FUTURE IN INCHEON

INU

FROM INCHEON, YOU CAN MOVE THE WORLD

INU

INU Soccer Team
2017 National Champions

Why choose Incheon?

COMPLETE YOUR DEGREE IN THE USA OR EUROPE

Our 2+2 plan lets you go abroad.
You can spend your first two years at INU and then transition to another partner university in America or Europe to finish your degree. It's called the 2+2 plan!

Page 7-8

NEEDS-BASED SCHOLARSHIP

First, you apply and are admitted.
Your acceptance to INU is decided before your financial situation is considered.

Then, financial support follows. Once you are admitted, we use the 'Net Price Calculator' to estimate your scholarship need and give you the full amount.

Page 9

GET RECRUITED FROM THE CLASSROOM

Connected learning opportunities capitalize on our partnerships with businesses and industry.
Most majors provide you with internship opportunities and mentoring by company CEOs and HR managers, which greatly increases your chance to get a job you want after graduation.

INCHEON
NATIONAL UNIVERSITY

EMBARK ON A UNIQUE JOURNEY

Students and faculty from around the world connect and engage in learning and research through our global network.

Our vibrant multicultural campus exposes students to diverse ideas and global perspectives.

LIKE NO OTHER

Korea is an emerging economic powerhouse and INU is at the center of the Songdo International Business District, a global business hub in the region.

A GLOBAL JOURNEY

Follow the path of becoming a global leader at INU.

Incheon National University's 2+2 plans are the focal point for encouraging and coordinating interdisciplinary teaching and research on global affairs, regions, and cultures around the world. We have established alliances with many international universities to offer specialized dual-degree programs in many fields. You can earn a degree abroad while studying at INU.

Students may choose to earn a dual-degree from one of our reputable international partner universities. These dual-degrees bring together students from overseas universities at the same location for research partnerships, faculty exchanges and diverse cultural experiences.

By studying abroad at INU, you can benefit from a high-quality education, and become a global citizen and leader.

EXCELLENCE IN EDUCATION

We are passionate about providing you with an education of uncompromising quality and opportunity. Our commitment to academic excellence is paired with an unrelenting devotion to innovative research, global education and offering our students real-world internship experiences. As a national flagship university, INU has an outstanding reputation for student achievement, learning, research and preparing future-ready global leaders.

96% of full-time students
graduate

WE HAVE YOUR BACK

THREE TRACKS

INTERDISCIPLINARY FOUR-YEAR DEGREE

Choose from many majors delivered entirely in English and study with students from all around the world.

INTERNATIONAL DUAL-DEGREE (2+2 PLAN)

Split your time between INU and another reputable international university. Typically, students will complete two years at INU and two years at a another campus abroad and receive two degrees (one from each university).

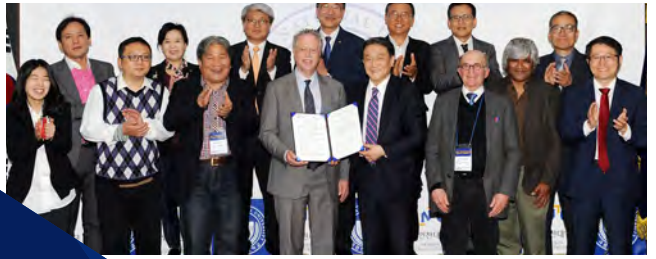
EXCHANGE STUDY

Incheon National University offers exchange programs to students from 175 sister universities all around the world. Credits earned at INU can be transferred back to your home university. You are welcome to take JOINT PROGRAMS courses during you visit to INU.

INTERNATIONAL 2+2 PLANS

Study with international students from 46+ countries around the world. INU has alliances with many international universities to provide dual-degree programs for students pursuing degrees in various fields of study. These programs allow you to earn a degree both from INU and one of our partner institutions at the same time. Having two degrees provides you increased job opportunities and a breadth of experience only possible through a truly global education.

Start your degree at INU and finish abroad.



Above, the Harvard University Medical School and INU agree to start new internship exchange program.

	BDE Polytech NCIE-Sophia
United Kingdom	University of Plymouth
China	Xidian University
	Institute for Tourism
Pakistan	NED University of Engineering
Netherlands	Hanze International Business School
	Windesheim University

GENEROUS SCHOLARSHIPS

INU offers merit-based and needs-based scholarships for first-year and continuing international students to help meet the cost of their education. Needs-based financial aid will support most international students in affording a quality higher education at INU.

NET PRICE CALCULATOR

You can estimate you amount of your needs-based scholarship by using the Net Price Calculator on the INU website: www.inu.ac.kr.

FAIR PROCESS

Financial need will not impact a student's acceptance to INU. As such, scholarship decisions are made by a separate committee after a student is enrolled.

In addition to financial need, annual availability of scholarship funds, number of applicants and the timing of a student's application for admission are key determinants.

EVERY STUDENT CAN AFFORD AN INU DEGREE

BEYOND THE CLASSROOM

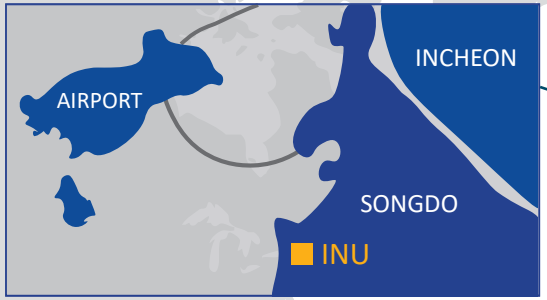
In our dual-degree programs, at the same time that students are taking classes, they are given the unique opportunity to participate in real-world internship experiences with a wide range of companies including start-ups. The program's practice-based focus encourages students to work while they study to enhance their skill sets and become graduates who know more about their work. The enormous advantage to students is that they gain extremely valuable experience and may be able to walk into a job, potentially with the company where they worked.

COLLEGE IS MORE THAN STUDYING

Life at INU is an adventure. Your time at INU is to not only discover a new land and culture, but also to make friends, join a student organization, volunteer, be active outdoors, attends festivals, and finds lots of other things to do with your free time.

ENGAGE IN GROUNDBREAKING RESEARCH

Work side-by-side with faculty and other students on research and creative activities across campus or develop your own project. Either way, you can become immersed in challenging research that will help you to excel and prepare you for a job.



KOREA

GATEWAY TO THE WORLD

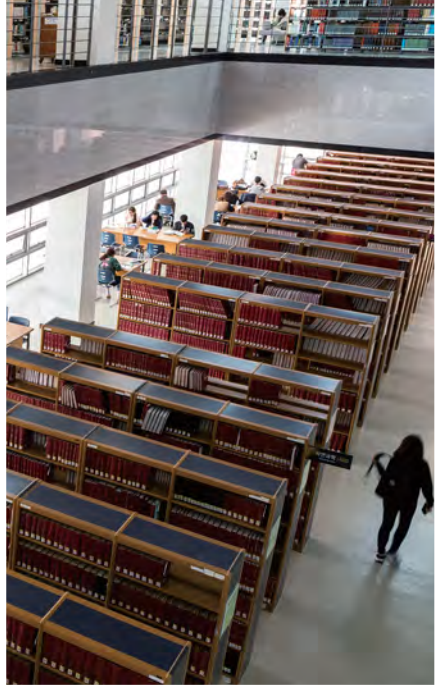
Incheon National University is located at the center of the master-planned smart city of Songdo, which is part of the Incheon Free Economic Zone (IFEZ); a center of diverse international businesses, a hub for international trade, an area for knowledge-based technologies, and a place for eco-friendly urban living.

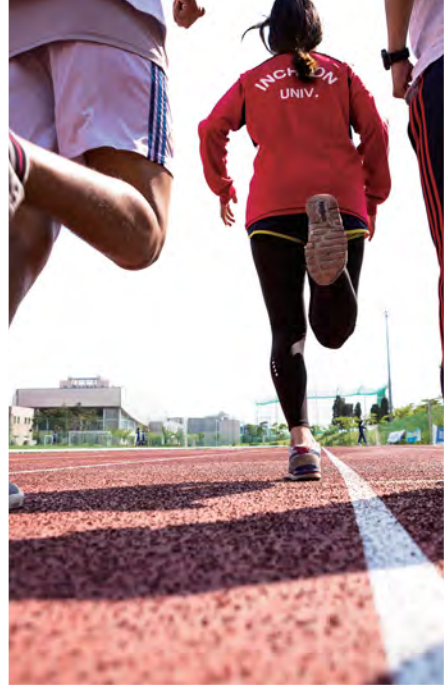
THE WORLD'S SAFEST CITY

Songdo was selected as the world's safest city by Numbeo's Global Crime and Safety Survey, 2016. Forty percent of Songdo is green space. Resident walk or bike to work and school. Visitors enjoy the city's boutiques, cafés, and lively restaurants. Just minutes from campus, you can take a quiet stroll or glide in a canoe through Central Park's beautiful 101-acres.

Jack Nicklaus GOLF CLUB

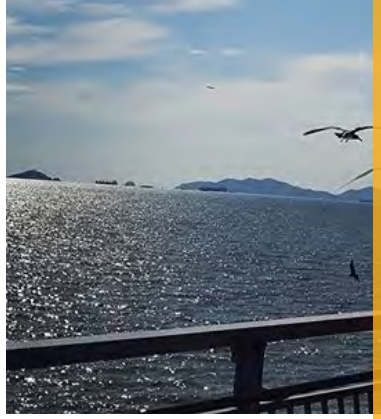
Located right next to campus, the Jack Nicklaus Country Club is INU's affiliated golf course. It hosted the eleventh president's cup in 2015 (first time held in Asia) and will host the 2018 UL international crown.





BEST-IN-CLASS CAMPUS FACILITIES

INU's newly built campus has a wide range of university facilities available to students; including research, library, conference, dining, shops, recreation, learning, housing and cultural spaces. All facilities are a short walk from each other, the surrounding city and the waterfront.



CAMPUS LIVING

INU has affordable on-campus residence halls giving you a place to live and to learn. Residents enjoy picturesque views of the ocean from their apartments.

MAKE YOURSELF AT HOME

Your on-campus residence has all the basics you need to get comfortable and organized. Then comes the fun part: making it your own.
