THE MATSUMAE INTERNATIONAL FOUNDATION

November 25, 2018

Dear Sirs/Madams,

Enclosed please find our newly announced RESEARCH FELLOWSHIP PROGRAM 2020 ANNOUNCEMENT together with the Application.

The Matsumae International Foundation (MIF) invites professional foreign researchers to Japan in order to let them conduct the research studies with their host institutions under our fellowship program. Since 1980, MIF has so far granted fellowships to 821 foreign researchers from 119 countries.

We thank you, in advance, for forwarding this information to the relevant governmental offices and higher educational institutions in your home country.

Please do not hesitate to contact us in case you have any question about our fellowship program.

Sincerely yours,

Yosuke WATANABE
Secretary General
